Re: Freedom of Information Act (FOIA) Request Number 10-RIN-1061-90

Dear Mr. Corff:

This is in response to your September 7, 1990 request for information regarding the following sites on the Comprehensive Environmental Response, Compensation and Liability Information System (CERCLIS): City of Hoquiam Municipal Landfill, Berg's Marine and Construction, Most Western Laundry and Dry Cleaners, Gray's Harbor-South Union Landfill, and Ventron Inc. (A Division of Thiokol).

Per your 9/11/90 telephone conversation with Vicky Tapang of our staff, you requested to obtain a copy of the preliminary assessment (PA) for each site. Enclosed are the documents you requested.

The Environmental Protection Agency (EPA) through the Ecology and Environment, Inc. (E&E) has conducted a PA of the Berg's Marine and Construction site. The PA report for this site is expected to be completed by the end of October. You may request a copy of the report by that time.

The cost of providing this information is \$9.30 (62 pages duplicated at 15¢ per page). However, pursuant to 40 C.F.R. Section 2.120 (a)(5)(v), the fee is waived.

This concludes the EPA Region 10 response to FOIA request number 10-RIN-1061-90.

Sincerely,

Philip G. Millam
